

## **How to buy Metro tickets (to go to the conference hotel or the restaurant)**

The Metro is a system of train lines that provide a safe (but mostly underground) way of getting around the city.

- To go from **the airport to the conference hotel** you need a **3-zone** ticket. Take the M3 line. Get off at “Frederiksberg station”.
- To go from the conference to **the Friday dinner restaurant**, you need a **2-zone ticket**.

## **Ticket machine at station: Uncomplicated but you may have to stand in line:**

- Switch to English.
- Select “City centre” or choose an appropriate number of zones in “Other Zones..”.
- Select “Adult (16+)”
- Select “Pay and print” and use your credit card.

## **App on your phone: More complicated, no line, sets you up for public transport bliss:**

- Download the app “DOT billetter” from Apple App Store or Google Play.
- To switch language:
  - o Select “Mit DOT” in the bottom left.
  - o Press the gears icon in the top right for the settings menu.
  - o Select “Sprog” (eng: Language) and select English.
  - o Select “Payment cards” from the settings menu to input your credit card information.
- To buy a ticket
  - o Select “Buy” at the bottom left.
  - o Select “choose the number of zones”. 2 for the restaurant, 3 for hotel from airport.
- **To buy ticket to elsewhere:**
  - o Select Buy, then “Ticket” and input your destination.
